TRAITORS OF THE TOWER (QUICK READS)

Vintage, UK, 2010. Softcover. Book Condition: New. First Edition. Available Now. Book Description: A short, sharp shot of royal revenge.: More than four hundred years ago, seven people - five of them women - were beheaded in the Tower of London. Three had been queens of England. The others were found guilty of treason. Why were such important people put to death?: Alison Weir's gripping book tells their stories: from the former friend betrayed by a man set on being king, to the young girl killed after just nine days on the throne. Alison Weir is a wonderful storyteller. Through her vivid writing, Alison Weir brings history alive. : Review: "Alison Weir is one of our greatest popular historians" (Daily Mail): "Weir provides immense satisfaction. She writes in a pacy, vivid style, engaging the heart as well as the mind" (Amanda Foreman Independent): "Weir wears her learning lightly and has a pleasant habit of anticipating all the questions of a curious reader" (Publishers Weekly) : Book Description: Produced as part of the Quick Reads Series, Alison Weir's Traitors of the Tower is a wonderful introduction to this brilliant historian.
