## The Pied Piper

---

By Pearson, Ridley

Hachette Books, 1900. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From best-selling suspense writer Ridley Pearson comes a heart-pounding story of deceit and betrayal. Seattle detective Lou Boldt and forensic pathologist Daphne Matthews must break the brilliantly conceived network of abductions that has shattered lives and terrorized communities. The press is calling him the Pied Piper because infants have disappeared from San Diego to Seattle with only a penny flute left in the crib. With few leads, no witnesses, and all signs pointing to a black market adoption agency, Boldt and Matthews must battle not only the overwhelming odds, but the involvement of federal law enforcement, a news-hungry press, and nervous politicians. The more deeply they probe, the more elusive the truth seems -- evidence is stalled, paperwork misplaced, witnesses overlooked. Why, when so much is at stake? The Pied Piper is Ridley Pearson's most ambitious, intriguing, tightly-woven story yet.
