Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ernest Renan, a young orientalist, from whose zeal and diligence we may hope for much hereafter, in a Letter addressed to M. Reinaud, inserted in the Journal Asiatique an account of some Syriac Manuscripts which he had seen in the British Museum the year before, and amongst the rest, a notice of that in which are found the treatises...
