Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An American at Oxford By a curious coincidence, the day on which the last proof of this book was sent to the printer saw the publication of the will of the late Cecil Rhodes, providing that each of the United States is forever to be represented at Oxford by two carefully selected undergraduate students. That the plan will result in any speedy realization of the ideals of the great exponent of English power in the new worlds is perhaps not to be expected. For the future of American education, on the other hand, few things could be more fortunate. Native and independent as our national genius has always been, and seems likely to remain, it has always been highly assimilative. In the past, we have received much needed aliment from the German universities. For the present, the elements of which we have most need may best, as I think, be assimilated from England.
