Reviews

This pdf can be worthy of a study, and a lot better than other. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your respective time (that's what catalogues are for regarding in the event you check with me).

(Prof. Douglas Grady)

DOMESTIC VIOLENCE AND HEALTH CARE: WHAT EVERY PROFESSIONAL NEEDS TO KNOW

SAGE Publications, Inc. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 9.2in. x 6.1in. x 0.5in. Of all women battered by their partners in the United States, only a small percentage are correctly diagnosed as victims of abuse. The medical community has a unique opportunity to intervene, but many health care professionals need more training to recognize the abuse, tools to intervene and information on where to refer victims for additional assistance. This study alerts such professionals to signs of abuse and helps prepare them to deal sensitively and appropriately with the needs of victims. The author provides vital information on the impact that examination and documentation may have upon subsequent prosecution of the batterer, while sample questions and forms assist examiners to record the most accurate information possible. Sherri L This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
