Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE TEMPLE OF ILLUMINATION BOOK REVIEW The joyful super genius secretly hidden in the pages of this book is like a spiritual bomb with a natural potential to trigger an earthquake of the highest magnitude possible which will shake the global spiritual, intellectual and philosophical community at its foundation. It surely is a simply wise, supremely intelligent, vitally rejuvenating and exquisitely dynamic masterpiece which is entirely different from the money making entertainment business that is going on currently in the name of so called new age spirituality. A very rare explosion of the love of truth at the highest mountain tops which will probably be the beginning of a new era of true spirituality and philosophy. Your heart will know the difference immediately, and your life can never be the same again after hearing the silent, wise and tender whispering of love through The Blue Book.
