When Ruby is entrusted with an explosive secret, she must embark on her most dangerous mission yet: leaving the Children s League behind. Crucial information about the disease that killed most of America s children and turned Ruby and the others who lived into feared and hated outcasts has survived every attempt to destroy it. But the truth is saved in only one place: a flash drive in the hands of Liam Stewart, the boy Ruby once believed was her future and who now wouldn t recognize her. As Ruby sets out across a desperate, lawless country to find Liam and answers about the catastrophe that has ripped both her life and America apart she is torn between old friends and the promise she made to serve the League.
