GIVING: WHAT IS IT ALL ABOUT?

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The paradigm of giving in the church has shifted in the last two decades. It is from the sales of items, popularly called harvest , to church members bringing in the cash, instead. This shift occurred as a result of the arrival of the charismatic churches, with the attendant demand for modernization of praises and worship, among other things. The quest to meet this demand calls for larger coffers, and the members are the ones to cause all to happen. Out of this came the idea, I want ten people to give me this amount, as specified by the one leading for the offering to be taken. The question is, is it biblical to give offering with this method where the amount to be given is determined by someone else, and not the giver, as led by the Holy Spirit? Giving in all circles of life had produced some contentions, culminating in large organizations and well-knitted communities splitting into factions. The church had not been an exception. The church experienced her fair share of such conflicts over the years. Some of these conflicts in some of these churches could have been averted if proper and adequate biblical principles and knowledge were applied. Various reasons could be ascribed to these ugly scenarios. One of these reasons could be too much demand for money, while the other could be the attitude of demeaning those who could not meet the quota set by the church. Some churches even set certain conditions to be met. But under no circumstance should a church institute any condition a member should meet before extending a helping hand. We should rather promote a healthy relationship...
