History Press (SC), United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. It's well nigh impossible to break into Wisconsin's history without picking up some respectable dirt in the way of farm lore, country wisdom and undisputed records of agricultural prowess. And when it comes to the Badger State, few people are as familiar with the soil of its stories as Martin Hintz. In his company, tramp across cranberry bogs, study centuries of beer and cheese pairings and give an affectionate thump to a 1, 810.5-pound pumpkin. Discover variety beyond crops and livestock and share in the dedication that planted victory gardens during World War II and the unadulterated joy of sliding down a straw pile in threshing season.
