Brand New Book ***** Print on Demand *****.Excerpt from Child Culture: A Hand-Book for Parents and Teachers, Telling How to Use, Mental Suggestion and Christian Tian Teaching in Mind Training, Family Government and Building Fifteen short progressive years have come and gone since the first edition of this little book was sent out on its mission of love and service. Within two years from the date of its publication the Author received hundreds of letters from educators, social reformers, parents and teachers expressing their approval and prediction of the good it was to accomplish. Nearly all of the principal educational journals, and scores of magazines and cosmopolitan dailies, gave commendatory reviews. Since then it has found its way into more than one hundred thousand homes and schoolrooms. The many expressions of gratitude from parents and teachers indicate that it has accomplished some of the work predicted for it. But the progress in child psychology and pedagogy, the application of mental suggestion to mind and character building, and the proven capacity and responsiveness of young children to religious teaching and Divine grace require the writing of a new book with the addition of much important matter. That the new book may prove even more helpful than the old, and be used of God in bringing the blessing of Jesus Christ to many children, is the cherished hope and earnest prayer of its Author.
