Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Hereward: Wolves of New Rome, James Wilde, 1072 - The great battle has been lost. King William stands victorious. And for the betrayed and abandoned English rebels, the price of their crushing defeat is cruel: exile. Cut adrift from family, friends, home, their hopes of survival lie with one man, their leader Hereward. But can even that now-legendary hero navigate a safe course across a world torn by war? Their ultimate destination is the jewelled heart of the Christian emperor in the East, the New Rome - Byzantium. Here the English hope to find gold and glory by joining those pledged to protect the emperor, the elite and savage Varangian Guard. But this once-mighty empire is slipping into shadow. Beyond the vast walls, the endless Turkish hordes plan for an attack that could come at any moment. And within the sprawling city, rival factions threaten bloody mayhem as they scheme to seize the crown. Here begins a new chapter in the stirring tale of England's forgotten hero. But now the enemies are hidden, their methods bloodier, the battlefield and weapons unfamiliar and to stay alive in this cauldron of plot, betrayal and murder, Hereward and the English must fight as never before.
