Reviews and Other Information: 2008 Golden Rose Winner forBest Debut Romance Castles, battle-hardened knights, time travel and a bit of the supernaturalwhats not to love about this book It didnt take but a few pages to get sucked into this story. The author has an easy, readable style that draws you in from the get-go. Terrifically developed characters, spot on historical elements, and a story with a message attached. I loved it! Beautiful, beautiful story. ....
