## DRUMLINE

To download **Drumline** PDF, make sure you click the web link below and download the document or have access to additional information which are have conjunction with DRUMLINE book.

Alphascript Publishing Jan 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x6 mm. Neuware - A drumline or drum line is a section of percussion instruments usually played as part of a musical marching ensemble. Drumlines are usually incorporated into high school or college marching bands, drum and bugle corps or drum and lyre corps, indoor percussion ensembles, and pipe bands, but also can exist independent of these ensembles. The term battery is used to refer to a specific part of the drumline. The battery is the drum section that marches on the field as a group. The battery usually consists of snare drums, bass drums, tenor drums, and cymbals. Stationary percussion within a marching ensemble is called the front ensemble or pit. This also describes the area where those percussion instruments are set on the field. 92 pp. Englisch.
