On adding up the total of the Ledger Stock Accounts at the end of the month (assuming that the Ledger postings are taken from the Record of Certificate), there would appear to be an over issue of forty-five shares, and in order to ascertain how it occurred, the various Ledger entries for the month would probably be first compared with the last-named book; but this operation, it is obvious, would give no light on the subject. On a comparison, however, between the Certificate margins, and the Record of Certificates, the error would be discovered, but it might be too late to have a proper remedy afforded. MISCELLANEOUS MATTERS. Powers of Attorney, to Transfer Stock. It often happens that Brokers or Bankers...
