paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 09 of Pages: 65 Language: Chinese. English Publisher: Foreign Language Teaching and Research Press Green Apple supplementary and synchronization time: Junior English summer homework (Grade 7 volumes) (convergence Primary) (new curriculum standards) days. were designed exercises around content. from all aspects of language learning is to provide students with training in various forms. in order to improve the comprehensive ability to use language. The contents of the various parts of different but related. and strive to consolidate the knowledge of the language. as a way to improve their language skills. to achieve the correct and skilled use of language the purpose. This set of exercises to provide students with the training of different angles. trying to cover a variety of questions. Which includes not only the usual kinds of questions in the entrance examination. including effective teaching questions and new kinds of questions are likely to enter the entrance examination. Various kinds of questions follow the principle from easy to difficult. as far as possible to meet the different needs of students. so that they can find for their own practice and improve their language skills by completing the exercises. Based on these characteristics. we recommend that students use this set of exercises. note the following points: First. highlight the review. consolidate. The completion of the process of the exercise is to review the process. Very grasp exercises to complete that to achieve the purpose of review; grasp small. it is best to first review the textbook. and then complete the exercises. Second. pay attention to expand learning. In the process of completing the exercises. you may encounter some new words and new sentences. which...
