

Border Town: Falling Too Fast

By Malin Alegria

Point, United States, 2012. Paperback. Book Condition: New. Original. 170 x 104 mm. Language: English . Brand New Book. In Dos Rios, Texas, things aren't always as they seem. Alexis Garza has music in her blood. She's certain that one day, she'll be leaving the border town of Dos Rios, Texas behind for a glamorous life of singing stardom. Until then, however, she'll have to content herself with belting her heart out at voice classes, going to high school mariachi band practice, and helping out at the Graza family restaurant. Alexis's ordinary life takes a turn for the extraordinary when she meets the swoon-worthy lead singer of a rival high school's mariachi band. His singing (and his smile) make Alexis melt. There's one small problem-- this suave singer doesn't seem to know that Alexis exists. She's determined to make herself heard-- no matter what the cost.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
