Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.
(Audra King IV)

THE INTERNET, ORGANIZATIONAL CHANGE AND LABOR THE CHALLENGE OF VIRTUALIZATION

Routledge. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 9.1in. x 6.1in. x 0.7in.As we devoteincreasing amounts of timetime at work and at home to the Internet and computer networks, our daily lives aredramatically being reshaped. We are better informed and can work more efficiently, yet there is anxiety about the security of our jobs. Examining what is happening to work, organizations and unions in the age of the Internet, this fascinating book reveals both the opportunities and dangers for workers in the digital age. Exploring the Internets impact on organizations and labor from complementary perspectives, Jacobs and Yudken consider how new digital technologies shape cultural change. They look at the culmination of the development of the Internet, its impact upon jobs and the current prospects for unions, and conclude that the Internet ultimately reduces transaction costs thereby aiding profit making, and also assists workers, consumers and citizens in challenging business practices. Ideal for students of management, e-business and human resource management, this informative text is a balanced analysis of the Internet aided workplace. Unlike many enthusiasts of e-commerce, it identifies dangers in the Internet-driven enterprise such as contingent employment, employee monitoring and job loss, and also explores the potential benefits for employees, proposing possible strategies for reforming the economy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
